

§ 924.142

Inspection Office or Oregon State Plant Industry Inspection Office or Federal-State Inspector is not readily available to perform the required inspection may, prior to shipment, apply to the Committee for a permit authorizing a waiver of inspection. Applications shall be made on forms furnished by the Committee and shall contain such information as the Committee may require including: Name and address of applicant, location of packing facility, distance of packing facility from the nearest inspection office, period (approximate beginning and ending dates) during which the applicant expects to ship to fresh market during the period, manner in which the majority of applicant's fruit will be marketed (i.e., transported by applicant to market, sold at orchard to truckers, etc.), areas or markets to which the applicant expects to ship the majority of the prunes. The application shall also contain an agreement by applicant

(1) not to ship or handle any prunes unless such prunes meet the grade, size, maturity, container, and all other requirements of the marketing agreement and order in effect at time of handling;

(2) to report periodically to the Committee on reporting forms furnished by the Committee, the following information on each shipment: quantity, variety, grade, minimum size, container, date of shipment, destination, name and address of buyer or receiver, and such other information as the Committee may specify;

(3) to pay applicable assessments on each shipment;

(4) to have or cause to have each shipment of prunes inspected when such shipment is transported to a market or through a location enroute to market where an inspector is available; and

(5) to comply with such other safeguards as the Committee may prescribe.

(b) *Issuance of permit.* Whenever the Committee finds and determines from the information contained in the application or from other proof satisfactory to the Committee that the applicant is entitled to a waiver from the inspection requirements of the marketing agreement and order at time of ship-

§ 924.142 Reserve fund.

(a) The establishment of a reserve fund of an amount which shall not exceed approximately one fiscal year's operational expenses is appropriate and necessary to the maintenance and functioning of the Washington-Oregon Fresh Prune Marketing Committee. The committee is hereby authorized to carry forward in the aforesaid reserve \$4,863.46 which are excess assessment funds from the fiscal period ended March 31, 1961. Such reserve shall be used in accordance with the provisions of § 924.42 of said marketing agreement and order (§§ 924.1 to 924.71).

(b) Terms used in this section shall have the same meaning as given to the respective term in said marketing agreement and order.

Subpart—Grade and Size Requirements

§ 924.319 Prune Regulation 19.

(a) During the period beginning July 15 and ending September 30, no handler

shall handle any lot of prunes, except prunes of the Brooks variety, unless:

(1) Such prunes grade at least U.S. No. 1, except that at least two-thirds of the surface of the prune is required to be purplish in color, and such prunes measure not less than 1¼ inches in diameter as measured by a rigid ring; *Provided*, That the following tolerances, by count, of the prunes in any lot shall apply in lieu of the tolerance for defects provided in the United States Standards for Grades of Fresh Plums and Prunes: A total of not more than 15 percent for defects, including therein not more than the following percentage for the defect listed:

(i) 10 percent for prunes which fail to meet the color requirement;

(ii) 10 percent for prunes which fail to meet the minimum diameter requirement;

(iii) 10 percent for prunes which fail to meet the remaining requirements of the grade: *Provided*, That not more than one-half of this amount, or 5 percent, shall be allowed for defects causing serious damage, including in the latter amount not more than 1 percent for decay; or

(2) Such prunes are handled in accordance with paragraph (b) of this section.

(b) Notwithstanding any other provision of this regulation, any individual shipment which, in the aggregate, does not exceed 500 pounds net weight, of prunes of the Stanley or Merton varieties of prunes, or 350 pounds net weight, of prunes of any variety other than Stanley or Merton varieties of prunes, which meets each of the following requirements may be handled without regard to the provisions of paragraph (a) of this section, and of §§ 924.41 and 924.55:

(1) The shipment consists of prunes sold for home use and not for resale, and

(2) Each container is stamped or marked with the handler's name and address and with the words "not for resale" in letters at least one-half inch in height.

(c) The term *U.S. No. 1* shall have the same meaning as when used in the United States Standards for Grades of Fresh Plums and Prunes (7 CFR 2851.1520 through 2851.1538); the term

purplish color shall have the same meaning as when used in the Washington State Department of Agriculture Standards for Italian Prunes (April 29, 1978), and in the Oregon State Department of Agriculture Standards for Italian Prunes (October 5, 1977); the term *diameter* means the greatest dimension measured at right angles to a line from the stem to blossom end of the fruit; and, except as otherwise specified, all other terms shall have the same meaning as when used in the marketing agreement and order.
